

## **PROPOSAL FOR CROSS-CULTURAL CENTER FOR LANGUAGE, CULTURE, AND TRAVEL**

A potential partner in the renovation and tenancy of East Side School

Why would this be useful for the community?	The cross-cultural center for language, culture, and travel would provide an important service and fill a need in a community that values cultural heritage and diversity.
What could it do?	<ul style="list-style-type: none"><li>• Classes in language and culture</li><li>• Activities promoting cultural understanding and cultural heritage</li><li>• Travel information and support</li><li>• Information clearinghouse for travel</li></ul>
Why would this be a good fit for East Side?	The educational value of this center and its accessibility to the community make it ideal.
How would it be structured and funded?	<ul style="list-style-type: none"><li>• Grants funding</li><li>• Classes conducted by volunteers and professionals</li></ul>
Summary	This center focuses builds on the strengths and needs of a culturally rich and diverse community.
